horns cloven feet a skeleton like body and a fiendish look if he had any horns they were covered up if he was cloven footed i could not detect it and instead of being a lean skeleton like person he was plump and looked as though he was well kept in fact he looked real genteel and dignified more like an angel of light than the old time devil people used to talk about instead of being a horrible ugly frightful being he looked like a high toned gentleman who would make a very favorable impression on almost anybody about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

ignorance of evil is not christian bliss satan and his horrible hordes are still largely avoided in spite of scriptural admonitions to the contrary ministers and evangelists extract the devil from their messages because it is an unsettling unpopular subject congregations are rarely warned of demonic realities because they might become frightened and well they might why do we spend billions of dollars on espionage and counter espionage and yet speak in whispers of the world's ranking adversary it is not as if there is no hope it is not as if we are powerless to confront the enemy but confrontation only begins with realization advantage can only be gained from education and conquest will only be achieved through application let the following pages help you realize who and what the enemy is learn that it is christianity's responsibility to educate itself in demonology and satanic resourcefulness allow unmasking satan and his demons to lead you in the application of god's word to the mightiest task mankind has ever known satan hid in the churches and behind pulpits he was not preached as man's arch enemy preachers kept quiet and just preached jesus to preach jesus is to preach the victory life victory over sin victory over sickness and victory over satan it is one thing to preach it but yet another to put it into practice or in other words to make it work in acts 10:38 we read clearly that the ministry of jesus was to do good and to heal all those who were oppressed of the devil satan is one created being albeit powerful he cannot be in two places at the same time but he proliferates his myriads of fallen angels demon spirits to accomplish his absolute bidding which is always malign it is a fact that the very demons that hide themselves from our view manifest themselves in sin sickness and disease jesus did not commission his church to ask him to heal he commands us to bring his healing and deliverance in his name thus we christians are supposed to be law enforcement officers officers commissioned to bring the law of love against these demonic invaders and commissioned to command them off god's property our spirits minds and bodies belong to god not to ourselves or to satan we can command the trespasser to leave in jesus name and he has to go i commend the reading of this book it will enlighten you

the gates of hell shall not prevail against the church this promise of our lord stands against every satanic device and assault but this immutable word as to the glorious outcome does not protect the church from the devil's stratagems which may and often do pervert the aims of the church and postpone the day of its final triumph there are signs everywhere unmistakable and of dire import that protestantism has been blinded and caught by satan's dazzling glare there can be no question that we've got an enemy who seeks to subvert and undermine the work of christ in us and through us at every turn we must be watchful and alert to the schemes of satan against us in order that we may know how to effectively defend against them this book is full of scripture and will doubtless be eye opening for any honest seeker for truth

bestselling author makes spiritual warfare strategies accessible to all it seems strange to consider the creator of the universe is at war with one of his own creatures the cosmic battle with evil is real however and spilling over into the lives of unsuspecting dwellers here on earth in this evangelically friendly approach to spiritual warfare richards describes the invisible war raging around us through careful analysis and exceptional scriptural insight he exposes the origin of evil the demonic hierarchy and satan's current strategies richards then helps god's people go on the
